

Dreaming with God & Manifest Vision Tips

Once you really understand that God has so much more for your life... anything is possible! If YOU will dare take God at His Word, you can manifest those dreams.

He's the One Who said in Genesis 11:6,

"Nothing you have imagined you can do will be impossible for you."

The God-Visions you have, were given to you so that you will not give up on your Dreams! They are meant to push you forward in hot pursuit of your Destiny and course correct you along the way. Remember these come from Prayer.

Step 1

~ Envision the Dream- Write it down, Clearly. But more than that, Keep them before you. For when you see them regularly your faith grows even subconsciously to bring them to past. What you see in your heart is more important than what you encounter or have naturally now. Envision your dreams and move toward them. God honors your Envisioned Prayers. Visualize your Dreams in Prayer!

Step 2

~ Speak to your Dreams. By faith the World was created, by Faith. God spoke to creation and it became existence. Speak to your Dream in Faith. Faith the manner of a mustard seed can cause Big Mountainous things to come into reality. Give your miracle a voice and a name.

Step 3

~ Take actions on your Dreams. Work backwards! The Vision is the end goal, so take actions of Faith towards your Goals. Take action by moving as if you TRULY believe that Dreaming with God works! Faith, without action is dead~ Get the passport, look for the house, start the business plan and get started. Not in perfection but in Prayer and Power.

Step 4

~ Praise God for the Dream. Celebrate before the Manifestation begins! Don't wait until the Battle is over, No SHOUT NOW! Give Thanks in advance. The Lord will see your gratitude and cause things to come to fruition, towards you! You can TRUST as you go. The depth of your praise determines the magnitude of your expansion. You will get the attention of God's ears. Yes, Yes, Yes!
